

JANUARY IS KCA RENEWAL MONTH

Many members have been uncertain as to when KCA dues payments are due, so last September we decided to make each January *the* renewal month. If your address label states: "Please pay 2011 dues", I hope you will do your best to take care of it in January. This will save us the time it takes throughout the year, continually pushing renewals. And it will finally be clear to members when they should renew. For your convenience, we have included a return envelope, with dues and contribution information printed on the back, which will be covered when you seal the envelope.

**JANUARY 20 KCA MEETING
FEATURES PRESENTATION ON
LANIER HEIGHTS HISTORY**

Thursday, January 20th will be an excellent chance to learn about the history of the section of Adams Morgan known as Lanier Heights. This is the area bounded by Adams Mill Road, Harvard Street, 16th Street and Columbia Road.

In 2007 and 2008, KCA conducted an "historic resources survey" in Lanier Heights under a grant from the DC Historic Preservation office. In early 2009, the report of the survey was published. Local architectural historian firm EHT Traceries, Inc. worked with KCA and helped us produce the report, which is still available on our web-site: <http://www.kaloramacitizens.org/news> (Scroll down to the 10th story from the top of the news page and click the link).

Traceries will be providing a presentation on the social history of the area, how it was originally settled, and of course, on its architecture.

Due to neighborhood opposition to the creation of an historic district in Lanier Heights, KCA will not be moving forward with such an effort.

This presentation represents the fulfillment of a contract between KCA and Traceries, where a public presentation was to be provided. I hope you can join us for this opportunity to learn more about this major part of the neighborhood.

**BEAUTIFUL RENOVATION OF
SORRENTO BY JUBILEE HOUSING**

Jubilee Housing, a non-profit housing provider in Adams Morgan, recently completed the renovation shown above at 2233 18th Street, in the Washington Heights Historic District.

The DC Department of Housing and Community Development (DHCD) contributed \$3.7 million in HOME Investment Partnerships Funding to help Jubilee finance this and another renovation, the Euclid, at 1740 Euclid Street in the Reed-Cooke section of Adams Morgan. DHCD also provided \$1 million in Low Income Housing Tax Credit 9% Allocation Authority that enabled Jubilee to raise \$7 million of tax credit equity for the renovation costs of the two buildings.
